Sub: Regarding the conduct of June 2021 Term End Practical Examinations of the M.Sc (MACS) programme

The practical Term End Examinations for the M.Sc (MACS) programme are conducted in the months of January and July, after the December and June Term End Examinations, respectively. In the practical term end examination, the student has to carry out programming exercises followed by a Viva Voce.

However, because of the situation that prevails due to the Covid-19 pandemic, it is not possible to conduct the practical examinations for June 2021 in the usual manner. In lieu of this, the programme team has recommended that a written examination could be held and the Viva Voce component will be waived. The final marks will be scaled up to compensate for the weightage of Viva Voce.

The programme team of M.Sc(MACS) proposes to conduct written Examination as assessment for the practical component of the courses of M.Sc.(MACS) along with practical examinations for the BSc programme. This proposal is specifically for the final year students who took admission in January 2020 or before and who are eligible for appearing in the June, 2021 Term End Examination as per SED data.

The details of the proposal are given in the Appendix A for the kind consideration and approval of the Hon'ble Vice Chancellor.

6. RSD/RCs may identify the examination centers based on the number of eligible learners.
7. RSD/RCs may inform the eligible learners well in advance about the schedule of Examination, the mode of examination and the syllabi of lab courses and venue of Examination Centre through web portal and other modes. The SED will provide to RSD the data of the learners who enrolled for the programme in the January, 2020 session or before and filled the examination forms for the June 2021 practical Term End Examination, with a copy to the programme team for information.
9. The payment for evaluation would be as per the existing University norms and would be coordinated by the designated Officer of the University.
