

## No Plastic Campaign during Swachhta Pakhwada - Sept 2019

During Swachhta Pakhwada in Sept 2019, we started 'No Plastic' Campaign in our adopted villages. Awareness campaigns were organized for the villagers and school children of the adopted villages. All the participants have taken the pledge not to use Single-Use Plastic items. We have started distributing cloth bags among the inhabitants of the adopted villages and pursuing them not to use polythene. The campaign will be on for the entire year.

RC Ranchi conducted four number of awareness cum pledge taking campaigns for shunning single use plastic. The campaign was done at 03 adopted villages under RC Ranchi and at one of our PSCs. The villagers, school children participated in the campaign where they were made aware of the hazardous effect of Plastics on our environment and health. All participants had taken pledge to shun single use plastics.
