No. of successful candidates in 30th Convocation	: 7037
No. of Academic Staff	: 03
No. of Administrative Staff	: 10

Brief Profile

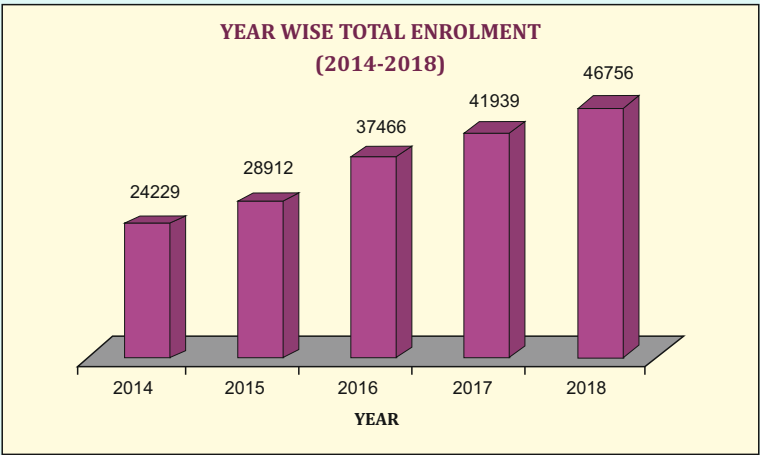

The establishment of IGNOU Regional Centre at Ranchi in March 2000 which was carved out of Regional Centre Patna under undivided Bihar state coincides with the formation of the State of Jharkhand the same year. It was a well-thought out plan by the university to establish a Regional Centre at Ranchi just a few months before the formation of the state with a view to fulfilling the educational aspirations of the masses of the state by providing opportunities for higher education and to offer focused learner support services to the learners belonging to the state. Over a little less than 2 decades of its existence, the RC has grown in leaps and bounds in terms of learner enrolment, spread of LSCs and no. of programs on offer. This Regional Centre has also been awarded with Gold Medals twice for offering the best learner support services and it continues to offer prompt support services to the learners.

Extending outreach through Learner Support Centres [LSCs]

Fulfilling the mandate of 'Reaching the Unreached' by taking Education to the Doorsteps of the people of the state in terms of opening LEARNER SUPPORT CENTRES [LSCs] and providing Learner Support through these LSCs in all the Districts of the State. Creation of RC Deoghar in 2011 has redefined the jurisdiction of the RCs in the state. RC Ranchi has got its jurisdiction over 17 districts and the remaining 7 are under the jurisdiction of RC Deoghar. We have our presence in 16 districts out of 17 in terms of establishment of Learner Support Centres.

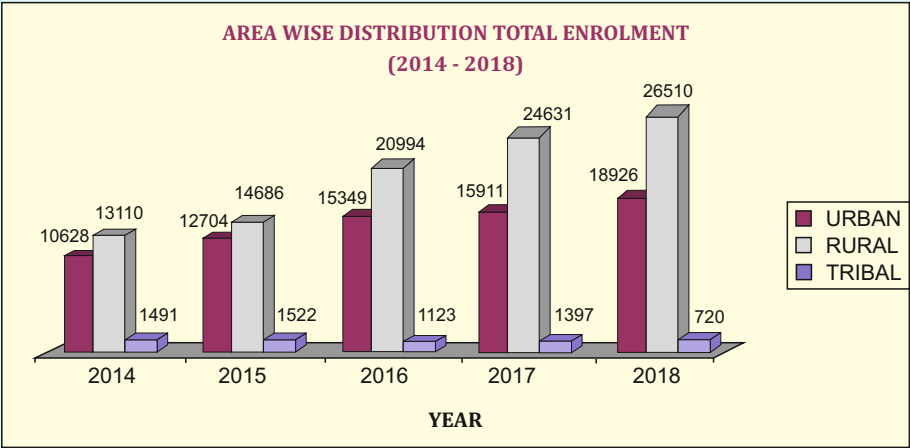

Offering Higher Educational Opportunities to Masses:

In the last 18 years of its existence, 5.5 lakh [approx.] learners have been enrolled in the state in various academic programs being offered by the University. Our enrolment in the last five years indicates the growing popularity of IGNOU programs and its likely contribution in the growth of Gross Enrolment Ratio [GER].

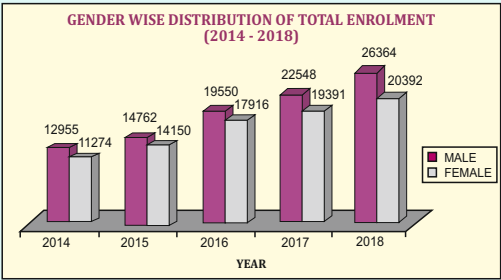

Our Rural Presence:

Rural Enrolment outnumbers the urban enrolment though enrolment in both the areas is increasing steadfastly.

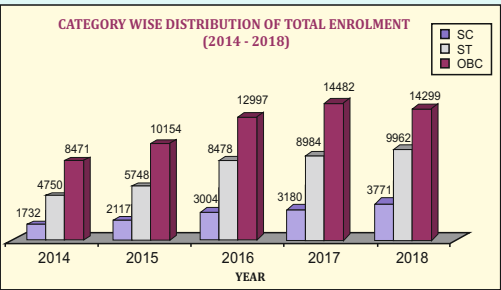

Empowering Women by providing Educational Opportunities:

Female enrolment is on a constant and continuous rise as is the male enrolment providing opportunity for empowerment. The percentage of female enrolment hovers around 46% – 49% of the total enrolment.

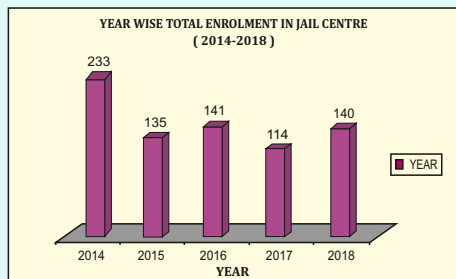

Advantage for the disadvantaged: Encouraging Inclusion

Enrolment of SC and ST candidates is on the increasing trend. ST enrolment is more than double than that of the SCs. The university has exempted the payment of program fee for the candidates belonging to SC and ST categories thereby encouraging their inclusion in higher education fold.

Free Education for Jail Inmates:

Provisions have been made by the university to offer free education to jail inmates. IGNOU study centres have been opened and run in the jails of Ranchi and Hazaribagh. Efforts are on for opening two more centres in Central Jail Jamshedpur and Daltonganj.

Playing a pivotal role in training and upskilling

IGNOU Regional Centre, Ranchi has been playing a pivotal role in training and upskilling the in-service personnel as and when required.

Teachers' Training: It had accepted the huge responsibility of training nearly 67,000 untrained in-service para teachers of the State by offering 2-year Diploma in Primary Education Program. Approximately 58,000 enrolled learners have successfully completed the program and certification has been done. The program is going to continued till the end of June 2019.

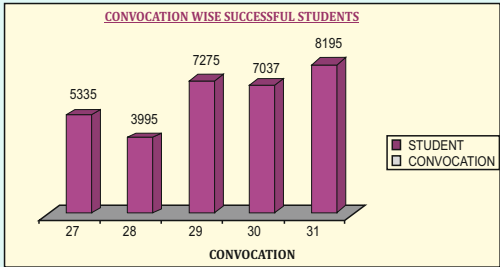

Training on Value Added Products from Fruits and Vegetables: Training was also imparted to the employees of horticulture department of Govt. of Jharkhand by offering Diploma in Value Added Products from Fruits and Vegetables [DVAPFV] program though the no. of trainees was a few.

Awareness Program on Dairy Farming [APDF]: At present Awareness Program on Dairy Farming [APDF] for farmers are being offered through Farmers Training Centre, Dairy Deptt. Govt of Jharkhand, Ranchi to create awareness among marginal famers to improve productivity in milk production and effective management of fodder. 205 farmers have already been enrolled.

Training for Competency and Skill Development of working professionals to take up the job of CHO [Community Health Officer]:IGNOU in collaboration with MoHFW, Govt. of India has been offering a Bridge Program on Certificate in Community Health Nursing [BPCCHN] to the working nursing professionals throughout the country with a view to developing competency, knowledge and required skills to take up the job of Community Health Officers [CHO] to manage the proposed Health and Wellness Centres [HWCs] independently under the flagship program of Govt. of India named 'Ayushman Bharat'. 05 Program Study Centres have already been opened under IGNOU Regional Centre, Ranchi and the program is being offered through these centres. Till date 256 learners have been enrolled to the program which was started in July 2017.

Convocation-wise Successful Candidates in the last five Years:

Orientation for Academic Counsellors in Clusters – A step towards capacity building

Time to time systemic orientation program for academic counselors are conducted in clusters by clubbing a few study centres of a particular locality which are located in close proximity and it is conducted at one of the LSCs to make it cost effective.This increases the sense of involvement on the part of the host LSC.

Hand Washing Campaign – Imbibing the habit of hygiene

RC Ranchi has started organizing hand washing campaign in rural schools for the little children to create awareness on hand hygiene in particular and cleanliness in general and imbibing good habit of hygiene among the children. In turn the children carry to their homes.
