- No. of successful candidates in 38th Convocation : 10680
- No. of Academic Staff : 03
- No. of Administrative Staff : 11

## Recognition

# Introduction

The IGNOU Regional Centre at Ranchi was established in March 2000, just before the formation of the Jharkhand state the same year. This strategic move allowed the university to meet the educational needs of the people in the region, providing access to higher education and personalized learner support services. Over the past two and a half decades, the center has experienced remarkable growth in terms of enrollment, expansion of LSCs, and program offerings. In recognition of its excellent learner support services, the Regional Centre has been awarded Gold Medals twice and continues to offer quick and reliable support to its learners.

# Expanding Footprints

RC Ranchi has been striving to fulfill the mandate of 'Reaching the Unreached' by taking education to the doorsteps of the people of the state by opening LEARNER SUPPORT CENTRES [LSCs] and providing learner support through these LSCs in all the districts under its jurisdiction. The creation of RC Deoghar in 2011 has redefined the jurisdiction of the RCs in the state. RC Ranchi has jurisdiction over 17 districts, while the remaining 7 fall under the jurisdiction of RC Deoghar. We have our presence in all 17 districts through the establishment of Learner Support Centres.

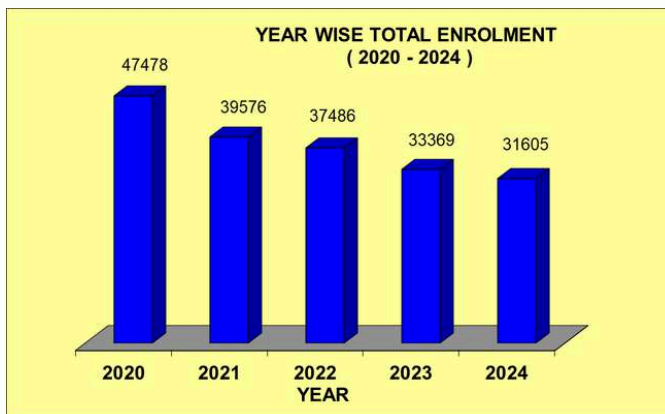

# Limitations to Opportunities

## Offering Educational Opportunities to Masses:

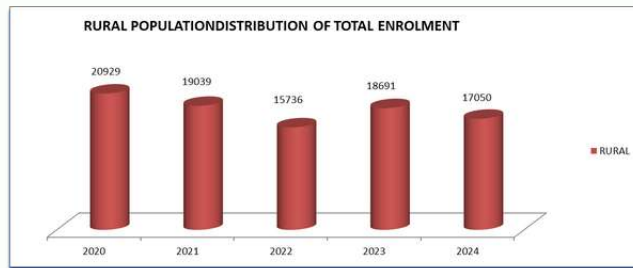

For the past 25 years, IGNOU RC Ranchi has witnessed the enrolment of about 650,000 learners in various academic programs. This growing interest in IGNOU programs highlights their potential to boost the Gross Enrolment Ratio in the State.

225 programs from diverse disciplines at different levels from Certificate to Diploma to Bachelors and Masters are offered by this RC .

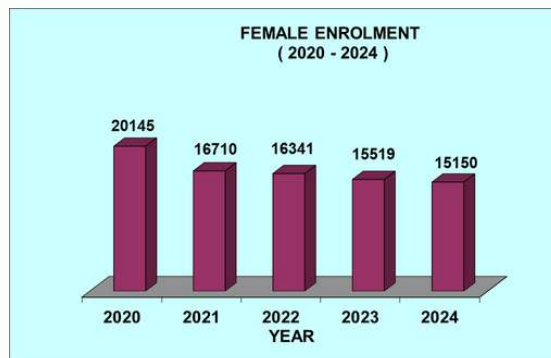

# Our Rural Presence

Percentage of Rural Enrolment outnumbers the urban enrolment though enrolment in both the areas is increasing steadfastly.

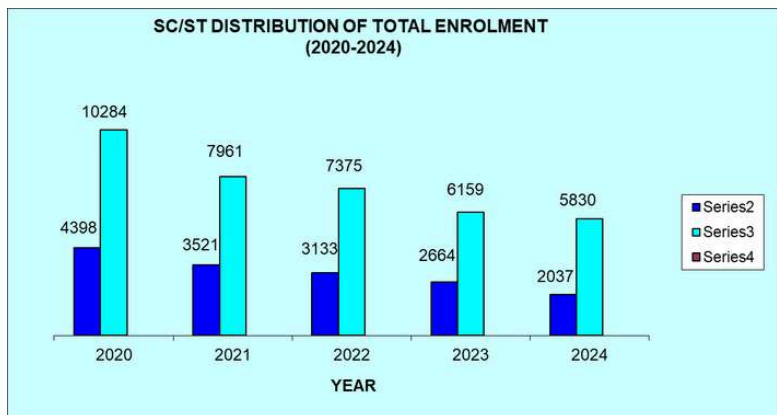

# Female Enrolment

Female enrolment is on a constant and continuous rise as is the male enrolment providing opportunity for empowerment. The percentage of female enrolment hovers around 46% – 49% of the total enrolment.

# Benefiting the Underprivileged: Promoting Inclusion

Enrolment of SC and ST candidates is on the increasing trend. ST enrolment is more than double than that of the SC enrolment. There is fee exemption facility for the candidates belonging to SC and ST candidates for a selected few programs thereby encouraging their inclusion in the higher education fold.

## Benefiting the Underprivileged: Free Education for Jail Inmates

Provisions have been made by the university to offer free education to jail inmates. IGNOU study centres have been opened and run in the jails of Ranchi and Hazaribagh with a view to reforming the inmates facilitating their return to mainstream.
