There will be two sessions per day. Each Session will be of 3 hours duration. Guided Experiments will be conducted in all the sessions except for the last session for each course. The last sessions will be devoted for the unguided experiments [Exams]. Course-wise external examiners can be engaged for the conduct of the unguided experiments.

Session 1: 10:00am - 01:00 pm **Session 2:** 1:30pm - 4:30pm

Marks will be awarded by the engaged academic counselors for each experiment that the learners conduct during the guided experiments. The ratio of marking for the guided and the unguided experiments would be 70:30.

The learners are to prepare the lab records for the experiments which are conducted and submit the records before the unguided experiment.

The lab manuals can be downloaded from the given links.
