

Registration for 2nd Semester of PGDWGS Programme

Dear PGDWGS Learner,

This is to inform you that now PGDWGS is being offered in Annual mode, where registration for all the courses is done at the time of admission. This means that option to register for 2nd semester alone shall be discontinued. **July 2020 shall be the last and final opportunity to register for 2nd semester of the programme.**

You are therefore requested to register for 2nd semester of PGDWGS online in the July 2020 semester. Please visit <https://onlinerr.ignou.ac.in/pgdwgs> to complete the process.

If you fail to register for 2nd semester in July 2020, no further opportunity shall be given. We are sure that you will not miss the opportunity.
